

# **CROSSTRAIL SL 29**

## **Increased robustness**

**The 30mm aluminium rim with FORE & PFP technologies make the Crosstrail SL an indestructible trail wheel.**

## **More responsive and dynamic**

**The reduced inertia of the rim combined with INFINITY hub technology means instant acceleration.**

## **Ultra Versatile**

**Our ISM4D rim lightening and spoking technology make the Crosstrail SL one of the most versatile trail wheels in its class.**
